

10 best places to find pizza around Atlanta

2 Varuni Napoli

Since Varuni Napoli's opening in April 2014, Neapolitan pizza darling pizza maestro Luca Varuni has stolen the hearts and appetites of Atlanta's pizza lovers. The Morningside eatery provides a transparent, stadium like view of the pizza masters at work, creating traditional artisan pies and other Neapolitan fare right in front of you. Varuni provides a semi private dining area that also opens onto an amazing tree shaded patio, tucked away behind the building. Luca loves to share sampling of desserts, tastes of his homemade authentic lemoscello and bring large parties in to the kitchen for fun and photos! A great place to eat before the night begins or even to bring the family. ((404) 709-2690)
